Block of the Month Clubs **Information for On-line Customers**

So, how does De Olde Forest Quilters On-line Block of Month Clubs work?

Our on-line Block of the Month Clubs are created and designed with you in mind! To join, just pay the one time non-refundable joining fee. This locks you into the club! Then, each month - for a specified period of time, we'll send you beautiful coordinated fabric or monthly kits for you to make your blocks or projects. We use the same debit or credit card you pay your joining fee to fund your monthly blocks!

To join any of our Block of the Month Clubs, you have to pay a non-refundable joining fee and then monthly payments for a set period of time. You pay the start-up fee at the time you register for the club and then pay a monthly fee when we ship your monthly blocks to you. Each program has a different start-up fee and various monthly fees based on the club(s) you join. Make sure you read the details of each program before signing up! If you have specific questions about any of our Block of the Month Clubs, please send an email to joanne@yeoldeforest.com and we'll answer your questions quickly!

When you join one of our popular Block of the Month Clubs, we do ask that you make a commitment and join for the duration of the club. Many of our clubs are color coordinated and we count on you to make a commitment so that we can continue to offer these programs at a great deal for everyone. Most of our beautiful fabrics we choose for our clubs have to be ordered months in advance. Each club takes lots of planning and hard work and a big commitment from our staff to make it successful for you! By cancelling midway through the program, we end up having cuts of fabric that we may not be able to sell unless we deep discount the pieces. Help us keep our club prices low by committing to pay for the duration of the program!

Here are answers to some of the general questions we have about our Block of the Month Clubs (BOMC).

How Much Will My Shipping Charges Be?

Shipping costs depends on what we are shipping. For our monthly shipments, we keep the costs way below \$5.00 per month (more like \$2 or \$3). If we are shipping a finishing kit or backing, we ship the most economical way that we can – so that you can save the most! Many of our Clubs include the shipping as part of the program so make sure you know when you join whether or not you will be charged separate shipping costs.

When Will I Receive My Block of the Month Kit?

All of Block of the Month Clubs are charged and shipped between the 1st and 7th of each month. If you have not received your Block of the Month package by the 15th of each month, please call us at the shop (336) 339-5190 or send an email to joanne@yeoldeforest.com. For our annual clubs, we start shipping in February. Other clubs may specify a different start month.

How Long Does the Block of the Month Last?

Most of our Block of the Month Clubs last for 12 months or a full year. If the club is shorter, the information should be listed with the on-line item description.

Can I Order a Finishing Kit?

Yes - most of the time we do have finishing kits available. I would encourage you to order your finishing kit when you initially sign up for each Club. Our finishing kits go FAST! The finishing kits may be listed as separate item that you can order from our on-line store or they may be included in the cost of the Club. Make sure you read the on-line descriptions for this information. If it's not clear for a particular club, send an email to joanne@yeoldeforest.com for more information.

What is the Finished Size of My Quilt?

The finished size of your quilt or quilt blocks depends on which Block of the Month Clubs you join. We will provide this information in our on-line description of all our Clubs.

How Do I Know What My Block of the Month Club Includes?

Hopefully, we will provide detailed descriptions of each Club so that you will have all of this information when you subscribe to the Club. Do make sure you read the descriptions. Sometimes we only provide the materials for you to complete individual blocks without finishing kits or additional fabric. Sometimes the Club will include everything you need to make the quilt top. The "suggested" finished sizes will also be listed in the Club details. Rarely is the backing included in any of our Club pricing so this is an additional item you will need to purchase. As always, if information is unclear or confusing in any way, send us a quick email to joanne@yeoldeforest.com.

Do I have to pay North Carolina Sales Tax?

If you are a resident of North Carolina then state law requires that we collect NC State Sales tax from you at the time of purchase. We do not collect NC State Sales Tax from out-of-state customers.

Can I Make My Finished Size Bigger or Get a Larger Finishing Kit?

Yes – you can buy more coordinating fabric and add borders to your quilt top or you may participate in more than one of the same Block of the Month Clubs.

Can I Join Additional Blocks of the Months?

Absolutely! If the same book is used in multiple Block of the Month Clubs, we'll only charge you ½ of the joining fee for additional clubs.

How Much Is the Joining Fee for Additional Block of the Month Clubs?

If the same book is used in multiple Block of the Month Clubs, we'll only charge you ½ of the joining fee for additional clubs.

Why Should I Join a BOMC from De Olde Forest Quilters?

We do most of the work for you! Our staff has a great eye in creating clubs that are color coordinated, easy and fun! Monthly payment plans help you keep costs within a budget and you are not sacrificing high quality, beautiful fabric due to hard economic times. Plus it is really fun getting a package in the mail each and every month. You'll create beautiful blocks that turn into beautiful quilts!
